

TALAHILAKE MANAGEMENT CORP.

DUES FOR 2022

It is again time to pay your \$125.00 annual lake dues. Remember, these dues cover regular herbicide treatments for weed control, Federal EPA filings, Incorporation fees, Talahi Lake property taxes, periodic restocking (both grass carp and recreational fish) and other operating and maintenance costs.

We are still looking for an alternate access point for launching the treatment company's powerboat. The empty lot that we have previously used has pending house construction and may no longer be available. A small outboard powered boat is used to hold the herbicide spray tanks and to distribute the chemicals. A gradually sloping entrance point is needed periodically to launch the boat from a trailer. (Usually once a month but sometimes twice monthly during the summer). Please volunteer if your property allows sufficient access. A waiver of dues and other considerations are included. *(Please include your email address on the form below.)*

You can also pay by Installing the Zelle app on your phone or tablet.

Once set up, you can make your payment easily with just a click.

To pay by Zelle: Send \$125.00 to: payment@talahilake.com

Please include your Last Name & House Number in the memo line on the Zelle payment page.

\$125.00 DUES FOR LAKE MANAGEMENT ARE PAYABLE NOW

Accounts will be considered **Past-Due** on **May 1st, 2022**
